<b>In the matter of the Application of</b>	<b>&gt;</b>	
<b>7G Network, Inc.</b>	<b>&gt;</b>	
<b>For a Certificate of Public Convenience</b>	<b>&gt;</b>	<b>Application</b>
<b>and Necessity to Provide Reseller</b>	<b>&gt;</b>	
<b>Interexchange Services within California</b>	<b>&gt;</b>	

**APPLICATION**

7G Network, Inc. ("Applicant") hereby submits this application for Certificate of Public Convenience and Necessity (CPCN) seeking operating authority from the Commission.

Applicant requests operating authority as a Reseller of Interexchange carrier services utilizing VoIP (voice over internet protocol) technology. Applicant is filing a CPCN application pursuant to PU Code Section 1001 instead of an NDIEC registration pursuant to PU Code Section 1013. Applicant has been operating in California, which does not allow the use of the 1013 process. In addition, applicant has informally registered with the Commission and was assigned Utility ID U-1293-C to meet PU Code Section 285 requirements. Applicant seeks the operating authority from the Commission due to growth and expansion of business in California.

**1. Identification of Applicant. [Rule 2.1a]**

Applicant's exact legal name is "7G Network, Inc." Applicant is a Delaware Corporation that is active in California. Applicant's principal place of business is 4906 Via Cupertino, Camarillo, CA 93012. Applicant's telephone number is (805) 444-2927 or (800) 747-0977.

**2. Correspondence or Communications. [Rule 2.1b)]**

Correspondence and communications concerning this application should be directed to Applicant's President and CEO:

Ronald Kramer  
President and CEO  
4906 Via Cupertino  
Camarillo, CA 93012  
Telephone: (805) 444-2927 or (800) 747-0977  
Facsimile: (866) 320-9188  
Email: [ron@7gnetwork.net](mailto:ron@7gnetwork.net)

**3. Description of Authority Requested. [Rule 2.1c)]**

Applicant seeks operating authority from the Commission as a reseller of interexchange carrier services. Applicant utilizes VoIP technology (voice over internet protocol) for interexchange carrier services provided in California under Utility ID number U-1293-C. Applicant purchases VoIP services from nationwide interexchange carriers, such as AT&T, Lumen, T-Mobile and Verizon. Applicant re-sells VoIP services to enterprise clients in the entire State of California. Applicant will not initially offer local exchange services.

Applicant files this application mainly for growth of enterprise clients and a request by a large corporate client for consolidation of services to Applicant's VoIP network. An example is Nantmedia Holdings LLC – Los Angeles Times, which is requesting to move their nationwide VoIP network to Applicant.

**4. Scoping Memo Information [Rule 2.1(c)]**

Applicant provides the following information to be in compliance with Scoping Memo Information:

1. Category: Due to the fact the Applicant does not clearly fit into any of the categories as defined in the Rules 1.3(a), (d), or (e), the Applicant should be categorized as "Ratesetting".
2. Need for Hearings: No hearings are necessary to address the matters in Applicants

application. Applicant is operating under Utility ID number U-1293-C. The Applicant is non-controversial and does not raise any material issues.

3. Issue to be considered: To determine if Applicant is qualified to provide interexchange services within California.

4. Schedule: Applicant proposes the following schedule:

Application Filed: March 22, 2023

Proposed Decision: April 22, 2023.

Final Decision: April 30, 2023

**5. Statement of Corporation [Rule 2.2]**

Applicant is incorporated in the State of Delaware and is operating in the State of California. A certified copy of the Company's Certificate of Formation and, the State of California Certificate is attached as Exhibit 1. A Certified Copy of the Applicant's Certificate of Good Standing is attached to this Application as Exhibit 2.

**6. Financial Statements [Rule 2.3]**

Applicant is financially qualified to provide the services requested in this application. Attached as Exhibit 5, to this application is copy of the Applicant's audited financial statements for the most recent year ending in 2022. In addition, Applicant is submitting a recent checking account statement that reflects cash on hand in excess of \$100,000 for an interexchange carrier. Applicant is capable of financing and operating its proposed operations with its own funds and Bank Letter of Credit in the amount of \$50,000.

**7. CEQA Compliance [Rule 2.4]**

As a VoIP Interexchange Carrier, Applicant does not intend to affect the environment in any way and will be in compliance with the California Environmental Quality Act.

**8. Description of Construction and Operation [Rule 3.1(a), (b)] and Technical Expertise**

Applicant will not be entering into construction of any network in California. As a VoIP interexchange carrier, Applicant will continue to operate over existing internet networks.

Technical expertise for Applicant can be reviewed in Exhibit 3.

**9. Map of Proposed Service Area [Rule 3.1(c)]**

Applicant has the flexibility to offer VoIP services for entire State of California. The only limitation for interexchange services is client access to internet services.

**10. Franchises and Permits [Rule 3.1(d)]**

Applicant is not required to have municipal franchise or license to provide interexchange services.

**11. Benefits to Public [Rule 3.1(e)]**

Applicant is delivering significant costs savings for enterprise clients in California. The decision by Nantmedia Holding LLC – Los Angeles Times to consolidate services with Applicant was based on several years of exceptional service and costs savings.

**12. Economia Feasibility and Financial Statement and Qualifications [Rule3.1(f), (g)]**

The proposed operation of the Applicant is economically and financially feasible. Applicant has sufficient cash in hand and financing facilities to operate in California. Applicant will obtain a continuous bond, issued by a corporate surety company authorized to transact surety business in California, in the amount of \$25,000 that will be in effect during all the period of operation and lists the California Public Utilities Commission as the obligee. Applicant will submit a Tier 1 advice letter to the Communications Division containing a copy of the Applicant's executed bond within five business days after the written acceptance of its CPCN authority.

**13. Proposed Rates [Rule 3.1(h)]**

Applicant has specific rates for VoIP services to enterprise clients in California and requests to an exemption from filing tariffs. As an example, rates offered to Nantmedia Holding LLC – Los Angeles Times are confidential. All of the existing enterprise clients (8) for Applicant, have specific rates that help the clients to maximize costs savings.

**14. General Order 104 A Statement [Rule 3.1(i)]**

Applicant will provide annual reports of financial activity as required by the Communications Division of the California Public Utilities Commission.

**15. Estimate Number of Customers [Rule 3.1(j)]**

Applicant is estimating a total number of 14 enterprise customers at the end of the first year of service. At the end of the fifth year of service, Applicant is estimating that the total number of enterprise customers will be 50.

**16. Regulatory Contact Information for 7G Network, Inc.**

**Executive Biography for Ron Kramer**

Ron Kramer, as President and CEO, is responsible for the strategic direction of 7G Network (7G). Ron worked closely with investors, carrier customers, carrier vendors and the management team to create 7G. Ron is a telecommunications veteran with over 30 years in the industry and he co-founded 7G as a high quality and fully redundant VoIP network for wholesale and enterprise customers. Ron was able to broaden services to include SMS messaging. The successful growth of 7G customers and revenue in the first year of operations was directly related to the dedication, experience and hard work of Ron and the 7G management team.

Prior to 7G, Ron directed a sales team at TCAST Communications providing worldwide wholesale services and enterprise services (CLEC) in the Southern California. Ron gained VoIP knowledge and expertise as a co-founder of International Talk.com and Vonova. Ron held the position of Director of Business Development and Network Provisioning for STAR Telecommunications and he was a Project Manager for WCT Communications.

Ron served as a Lieutenant in the United States Navy and is a veteran of Operation Desert Storm. Ron received a Bachelor of Science Degree in Aerospace Engineering from the University of Southern California.

## Executive Biography for Ed Smart

Ed Smart, as Executive Vice President of Operations, is responsible for running Operations for 7G Network for the last 11 years Including network installations, maintenance, the Network Operations Center (NOC) and customer service. Ed works closely with carrier customers, carrier vendors and the management team at 7G. Ed is a telecommunications veteran with over 40 years in the industry. Ed has built the 7G Network Toll Free, inbound DID, termination and SMS networks for 7G.

Prior to 7G, Ed was Vice President of Operations for TCAST Communications for 17 years. Ed's responsibilities were overseeing the development of TCASTs FGD TDM Long Distance, CLEC and VoIP networks at TCAST. Ed Managed switch operations, network provisioning and the NOC for the installation and maintenance of TCAST's Network. Prior to TCAST, Ed was responsible for building and managing WCT Communications DEX600 network and facilities across the nation with cities including Los Angeles, San Francisco, Dallas, Seattle, Atlanta, Chicago and Philadelphia.
